# Creating Your Reality with Infinite Source Potential with Brooklin Rayne

Welcome Ascender, congratulations for choosing to embark on the journey of attending this upcoming Ascend Academy masterclass. Completing this Pre-Activation Preparation Process will support you in receiving the most out of the experience. Be sure to take some time to complete the following reflection prior to the class.

1. **'If' you could create your reality to be the ultimate reflection of your "dream life" what would that look like? What would it feel like? Sound like? Be like? (*dream with no limitations*)**

2. **What (if any) self-limiting beliefs and thoughts do you hold in your energetic field when it comes to creating and living your "dream life"?**

3. **Who is capable of connecting to the Portal of Infinite Source Potential? Do you have unwavering trust that you are an Infinite Source Creator Being?**
